Tradie Booster Program — Complete Build Brief

For: Tekmatix Page Builder

Prepared by: Robin (Vincere Coaching AI)

Date: April 2026

OVERVIEW

Build a direct-to-checkout funnel for the Tradie Booster Program at $97/month. No application or booking step — traffic lands on the page, watches the VSL, and buys directly.

Funnel flow:
Traffic → Landing Page → Checkout (with order bump) → Thank You Page

Platform: Tekmatix (GoHighLevel)
Price: $97/month recurring — No lock-in
Order Bump: Fast-Start Bundle — $149 one-time

BRAND GUIDELINES

Colours

Role	Hex
Primary Orange	`#F47920`
Black / Dark BG	`#0D0D0D`
White	`#FFFFFF`
Dark Charcoal (body text)	`#1A1A1A`

Typography

- **Headlines:** Montserrat ExtraBold (800–900 weight)
    - **Body:** Montserrat Regular or Open Sans
    - **Style:** Mix black + orange words within the same headline
    - **Section labels:** Small caps with short orange underline rule

Design Aesthetic

Bold, industrial, high-contrast. Black + orange dominant. Feels like a tradie brand — not a corporate coach. Reference the trifold flyer for visual tone.

CTA Button Style

- Background: `#F47920`
    - Text: White, Montserrat Bold
    - Border radius: 6–8px
    - Padding: 16px 32px

ASSETS (in the /assets folder)

File	Use
`kirk-headshot.jpg`	Credibility section — works on dark BG as-is
`vincere-logo-p0.png`	Standard logo — use on white/light sections
`vincere-logo-white.png`	White + orange version — use on black/dark sections
`flyer-p0.png`	Trifold flyer reference — visual style guide

VSL video: Kirk is filming in the coming weeks. Build the page with a placeholder video embed — swap in when ready.

PAGE 1 — LANDING PAGE

Layout Notes

- Single-column conversion page — NO navigation links, no exits
    - Vincere logo top-left in header (white version on black BG)
    - Repeat CTA button after every major section
    - Mobile: stack everything vertically, keep orange/black contrast

SECTION 1 — HERO (Black background)

Small label above headline:
`TRADE BUSINESS GROWTH` *(small caps, orange, short orange rule beneath)*

Main Headline *(large, Montserrat ExtraBold — mix white + orange words):*

Two Plumbers in Perth Were Doing **$40K** a Month.
Twelve Months Later They Were Hitting **$300K**.
Nothing Changed About Their Skill on the Tools.

Subheadline *(white, regular weight):*

What changed was how they ran the business. That's what Tradie Booster is built to do for you.

Price Badge *(top-right or below headline — orange rounded rectangle):*

ONLY **$97**/month

CTA Button:

Join Tradie Booster — $97/month →

Trust line *(small white text below button):*

No lock-in contracts. Cancel anytime. 30-day money-back guarantee.

SECTION 2 — VSL (Near-black background)

- Embed video player centred, max width ~800px
    - Caption below in orange italic: "*Watch this before you do anything else.*"
    - CTA button below video (repeat)

SECTION 3 — PAIN POINTS (White background)

Headline:

Sound Familiar? *(orange underline accent below)*

Checklist *(orange circle-tick icons):*
- Flat out but still not making what you should
- Struggling to win consistent work
- Discounting to secure jobs
- Constantly putting out fires
- Business relies too heavily on you
- Lying awake wondering if you're making money or just staying busy

Orange callout box *(orange BG, white text, rounded corners):*

And here's what really stings — you're one of the hardest workers around. But your body has a ceiling. You can't keep doing this pace forever.

SECTION 4 — CREDIBILITY (Black background)

Kirk photo *(circular or square, orange paint-splatter graphic behind it — see flyer for reference)*

Name: Kirk Neal *(orange, bold)*
Title: Trade Business Coach *(orange)*

Body text *(white):*

20+ years in the electrical industry. 9 years coaching. 3,000+ trade business owners across Australia and New Zealand.

Every framework inside Tradie Booster was built for trade businesses — not borrowed from somewhere else and repackaged. Job costing, quoting margins, seasonal cash flow — all of it.

Contact icons *(orange circle icons):*
- 📞 0413 848 292
- ✉️ kirk@vincerecoaching.com.au
- 🌐 vincerecoaching.com.au

SECTION 5 — WHAT YOU GET (White background)

Section label: `WHAT YOU GET` *(small caps, orange rule)*

Headline:

Here's What's Inside **Tradie Booster**

4 Feature Cards *(2x2 grid desktop, stacked mobile — black card, orange icon, white headline, dark body):*

Card 1 — 📹 Recorded Training Modules

Built specifically for trade businesses — lead generation, quoting, pricing, cash flow, and sales. A practical playbook for the exact problems you're dealing with. Not theory you have to translate.

Card 2 — 🎙️ Weekly Live Coaching & Q&A Calls

Bring your actual business problems. Get real answers. Implement them that week.

Card 3 — 📋 Done-For-You Frameworks & Templates

Quoting, sales, and referral systems — ready to use. You're not starting from scratch on any of it.

Card 4 — 👥 Community of Trade Business Owners

People who've been exactly where you are. You're not figuring this out alone.

Price callout box *(orange BG, white text):*

All of that for **$97/month**. No lock-in contracts.

CTA Button *(repeat)*

SECTION 6 — RESULTS (Black background)

Section label: `REAL WORLD RESULTS` *(small caps, orange rule)*

Headline *(white + orange):*

What This Actually Looks Like **in the Real World**

3 Result Cards *(dark #1A1A1A, orange top stripe or left border):*

Card 1 — Perth Plumbers

Came to us doing $40K/month. Twelve months later: $300K/month. Same trade. Same market. Different business.

Card 2 — Sydney Painter

Joined at $700K annual revenue. Eighteen months later: past $3 million. Hired an office manager and operations manager. Took most of the anxiety out of running the day-to-day.

Card 3 — Sole Trader Electrician

Moved from hourly rate billing to an itemised pricing model. That one change dramatically improved his profitability.

Italic line below cards *(white):*

That's the floor. And the floor is still a meaningful win.

SECTION 7 — OBJECTION HANDLING (White / light grey alternating)

Headline:

You Might Be Thinking...

Objection 1:

"I can't afford $97 a month."

One additional job converted using what you learn in your first month pays for your entire year of membership. If your sales process tightens up and you close one more quote this month, the membership has already paid for itself twelve times over.

The question isn't whether you can afford $97. **The question is how much you're losing every month without it.**

Objection 2:

"I've tried coaches before and it didn't work."

The coaches you tried weren't trade business coaches. They were generic advisors who repackaged advice built for other industries and hoped it would stick. Tradie Booster was built from the ground up for trade businesses. That's not a different version of the same thing. **That's a completely different thing.**

3,000 trade business owners across Australia and New Zealand over nine years would back that up.

SECTION 8 — WHO IT'S FOR (Black background)

Headline *(white + orange):*

Is **Tradie Booster** Right for You?

Two columns:

✅ **This IS for you if...**
- You're a trade business owner tired of working harder without getting further ahead
- You want to build a business that runs without you on the tools 24/7
- You're ready to actually implement — not just consume
- You want real strategies built for trade businesses, not recycled advice

❌ **This is NOT for you if...**
- You're happy grinding on the tools until your body gives out
- You're not willing to implement anything
- You're looking for someone to do the work for you

SECTION 9 — URGENCY + FINAL CTA (Orange background, full bleed)

Headline *(white, bold):*

Every Month You Wait Is Another Month of Feast-or-Famine Income.

Body *(white):*

The problem doesn't sit still. It compounds. Bad pricing, bad quoting, and bad cash flow start to feel normal — and they get harder to unwind the longer you leave them.

Price *(large white):*

$97/month

CTA Button *(black fill, white text — inverted for contrast on orange):*

Join Tradie Booster Now →

Guarantee *(white, smaller):*

30-day money-back guarantee. Implement one strategy — if you don't see the value, we refund you in full. No questions asked.

The only real risk is staying exactly where you are.

SECTION 10 — FAQ (White background)

Section label: `WE GET ASKED...` *(small caps, orange rule)*

Use accordion-style expandable Q&A with orange expand icons.

Q: Is this just for specific trades?
A: No. Tradie Booster works for plumbers, electricians, builders, painters, concreters — any trade business owner running a team or looking to scale.

Q: I'm already busy. When am I supposed to do this?
A: The modules are recorded — watch them on your schedule. The weekly calls are live but recorded if you can't make it. Built for people who are time-poor.

Q: What if I've already got a business coach?
A: Most coaches have never run a trade business. The frameworks here are built specifically for trades — quoting margins, job costing, seasonal cash flow. It's a different thing entirely.

Q: How long until I see results?
A: Most members see a meaningful win in the first 30 days. One extra job closed. One quote that converts. The membership pays for itself fast.

Q: Is there a contract?
A: No. Month to month. Cancel anytime. And if you don't see value in the first 30 days, we'll refund you — no questions asked.

Q: What's included?
A: Recorded training modules, weekly live coaching and Q&A calls, done-for-you templates and frameworks, and access to a community of trade business owners.

1. The Field Systems Pack
Running jobs without systems means inconsistent results, unhappy customers, and unnecessary risk. This done-for-you pack gives you processes across the three areas that make or break your reputation in the field — Customer Service, Quality Control, and Safety. Hand it to your team and know every job is being run the right way, every time.

2. A 45-Minute 1-on-1 Strategy Session with Kirk
A private call where Kirk maps out exactly what to focus on first in your specific business. Tailored to your trade, your numbers, and your situation.
Book here:
